COURSE NUMBERING SYSTEM
GTU courses are identified by a combination of letters and numbers. The letters refer to the fields of study. The first two letters refer to the primary field and the next two refer to the cross-listed field. The numbers refer to the course level.

PREREQUISITES
Some courses have prerequisites set by the instructors, e.g., “Previous course in OT intro” or “At least one course in Church History.” The instructor advises that students without the prerequisite not register for the course because they lack the necessary background. Prerequisites are listed within the brackets [ ] at the end of a course description.

COURSE RESTRICTIONS
Many instructors place restrictions on their courses. Restrictions are also noted in the brackets [ ] at the end of a course description.
GENERAL INFORMATION

[30 max enrollment] Number of students allowed in class. Faculty consent not required. If the max enrollment has been surpassed, faculty will remove students from their Moodle course roster.

[Faculty consent required] Faculty will remove students from their Moodle course roster if consent to take their course has not been granted.

[Interview required] Student must contact instructor for interview, and obtain faculty consent from instructor.

[Auditors excluded] Class cannot be audited.

[Auditors with permission of faculty] Student must contact instructor for permission to audit. Instructors will drop any students who register to audit who did not receive permission.

SPECIAL READING COURSE (SRC)
Enrolling in a Special Reading Course (SRC) is a two-step process:
1) Register for SRC’s through SONIS. Enter SRC 9999 or SRC 8888 (for a Special Reading Course which is an upgrade of an existing course), and the correct number of units for the SRC. If you are enrolling for multiple SRC’s enter the total number of units for all SRC’s.
2) Submit completed SRC forms to the GTU Registrar.

SRC forms are available from the Registrar’s Office and from the GTU website. They must have the signature of the instructor and the Dean. COMPLETED SRC FORMS ARE DUE BY THE END OF THE LATE REGISTRATION PERIOD. Any SRC forms received after the end of Late Registration will require a Change in Enrollment form with all required signatures.

CROSS REGISTRATION (UCB, Dominican University of California, Holy Names University, Mills College)
Cross Registration is a three-step process:
1) Obtain permission from the course instructor to take the desired course.
2) Register for the Cross Registration Course through SONIS: Enter UCB 9000 (for any of the four institutions), and enter the correct number of units for the course. (If you are enrolling for multiple courses, enter the total number of units for all cross registration courses.)
3) Submit completed Cross Registration forms (including physical signature from the course instructor – e-signatures are not acceptable) to the GTU Registrar’s Office by the deadline (always the end of the first week of GTU classes).
GENERAL INFORMATION

For Cross Registration instructions and UC Berkeley dates and deadlines, see the box, “UCB Cross Registration Procedures” in “Registration Instructions”. Contact the Registrar for the deadlines for the other institutions.

CLASSROOM ACCESSIBILITY
If an assigned classroom is inaccessible to a student because of a disability, please notify the GTU Registrar's Office immediately so that the room assignment can be adjusted.

CANCELLED CLASSES
Courses may be cancelled due to insufficient enrollment or other circumstances. The GTU participating schools assume no liability for such cancellations.

TEXTBOOK AVAILABILITY
For the most current information on textbook availability, please visit www.gtu.edu/students.

REGISTRATION INFORMATION

EARLY REGISTRATION

• Early Registration lasts two weeks.
• Dates are listed at the beginning of each semester section.
• Those using Early Registration should verify their schedules using SONIS in the week before classes begin to ensure that course information hasn’t changed since registering.

Notes for Restricted Courses (see “Registration for Restricted Courses” for further details):
  o You must request permission to be admitted to a restricted course during the first week.
  o Instructors will make their decisions and will provide consent to those students admitted, or inform those students not admitted, early in the second week.
  o During the second week, students admitted to restricted courses may register for those courses.

Note: Instructors are not obligated to accept additional requests after the end of the first week. Students may seek permission again during General Registration. Courses frequently have maximum enrollment restrictions, so it is advisable to seek permission during Early Registration whenever possible.

GENERAL REGISTRATION

• General Registration for Fall and Spring opens two weeks prior to the start of classes, at 12:00AM on Monday, and ends at 11:59PM on the Friday before classes start (see dates at the beginning semester sections).
• General Registration for Summer begins on the first day of Fall Early Registration and continues until all session courses have begun.
• General Registration for Intersession begins the first day of the term. It is recommended that registration for Intersession courses be completed during the prior two week Early Registration period in November, which coincides with Early Registration for the forthcoming Spring term.
• The Online Course Schedule is ALWAYS the most up-to-date source for information regarding courses at the GTU. Changes post in real-time, as the Consortial Registrar enters them.
• If you are using a PDF copy of the course schedule, check the Online Course Schedule for any final course changes prior to registering (e.g., change of time, day, place, or description), as well as new courses, and cancelled courses.

Incoming Students:
  1. Attend orientation events, usually the week before classes begin, to learn curriculum requirements and registration procedures.
  2. Follow the web-based registration instructions in “Registration Instructions”.

If you registered during Early Registration:
Review your Registration schedule for any changes to the courses for which you registered. You may make changes during this period in SONIS, including dropping and adding courses.

  NOTE: If you were admitted to a restricted course and decide not to take the course, please inform the instructor immediately, in addition to dropping the course on SONIS. This will allow another student to be admitted to the course in your place.

Leaves of Absence or Withdrawal:
If you register during Early Registration and then decide not to return to school during the following semester, you need to drop all of the courses for which you registered during early registration. If you fail to drop these courses, you will be billed for them at the beginning of
REGISTRATION INFORMATION

The semester. This is in addition to any other procedures required for taking a leave of absence or withdrawing from your academic program.

LATE REGISTRATION

- Late Registration opens the first day of classes (Fall and Spring). You may continue to make changes to your registration using SONIS through the second week of classes.
- No registrations will be accepted after the second week of the term except by petition to your Dean.

Leaves of Absence and program extensions:
Petitions for a Leave of Absence or a program extension may be made during the Late Registration period. If you registered for courses during Early Registration, please remember to drop any courses for which you are registered.

CHANGES IN ENROLLMENT AFTER LATE REGISTRATION

- Changes to enrollment after Late Registration must be submitted to the GTU Registrar on a Change of Enrollment form, signed by the instructor, your Dean, and your advisor.
- Changes in enrollment are not permitted after the 10th week of the term, unless approved by the Dean or appropriate committee of your school.

CHANGES IN CROSS-REGISTRATION

Changes in UCB courses must be made with ALL of the following:
- GTU Consortial Registrar --AND--
- Registrar of the institution offering the course

AFTER MAKING CHANGES

- Check your Schedule in SONIS after making any changes to your schedule to ensure your registration is correct (particularly after submitting a paper Change in Enrollment form).
- If the notation “HELP” appears as a course number on your schedule, it indicates a problem; see the registrar.

SPECIAL REGISTRATIONS

- Special Reading Courses (SRCs):
SRCs are a valuable way to dig deeply into a topic that is not available via the regular course schedule or to upgrade a lower level course to a higher level course with additional work required. To register for an SRC, you must complete the necessary paperwork (for further details, see the Doctoral Students FAQs page) and register either for SRC 8888 (if you are upgrading a course) or SRC 9999 (if the SRC is unrelated to a regular course).
  ○ When taking a Special Reading Course (SRC) be sure to turn in the SRC form to the registrar as well as completing the web-based part of the registration process.
- Other Special Courses:
Special Courses such as “In Thesis” or “Preparation for Comprehensives,” are listed in the course schedule. Please note that if you are registering full time for a Special Course (e.g., 12 units of DR
REGISTRATION INFORMATION

6001), you must enter the total number of units in the Section Details screen in SONIS (see step 2B in registration instructions).

- Cross Registering at UCB, Dominican University of California, Holy Names University, or Mills College:
  - Course dates will likely differ from GTU course dates – make note of semester dates!
  - Permission must be granted by course instructor
  - Register for course on SONIS AND submit completed cross registration form with ALL necessary signatures (see UCB instructions for more detail).

REGISTRATION FOR RESTRICTED COURSES

- If the Course Schedule indicates that a course requires Faculty Consent (see “Course Restrictions” in the “General Information” sections), registration is subject to instructor approval. If approval is not granted your registration will be reversed and you will be removed from the course roster.

- Most instructors prefer email requests (adjuncts or visiting faculty may be reachable only through email.) Email addresses are available on the GTU website. If you need to contact a faculty member who does not have email, please use regular or campus mail.

Email messages should be brief and complete. Include the following information:

1. **Subject Line: “Restricted Class Request”**: This allows faculty to use their email filtering programs to quickly process all requests
2. **Personal information**: your name and relevant contact information
3. **Academic information**: your degree program and year in the program
4. **Course-related information**: The course number, course title, and whether you wish to take the course for credit or as an auditor
5. **Your reasons for wanting to take the course**: Briefly include relevant previous coursework and/or experience, as well as any special interests and/or needs for taking the course. If a prerequisite is listed (e.g., “must have taken basic Greek course”), you will need to show how you meet the requirement (e.g., “took BS 1006 in Fall 2018”)

Inclusion of all of this information will improve your chances of admission to a restricted course.

**REMEMBER**: During Early Registration, permission must be requested during the first week of the registration period in order to allow instructors to receive all requests before making their decisions. Instructors will notify students of admission decisions early in the second week, allowing several days for students to register for (or add) the restricted courses for which they have requested faculty consent.
REGISTRATION INFORMATION

REGISTRATION BLOCKS

If there are any blocks to your registration they must be removed before you will be able to register. The following may all be cleared by contacting the office that placed the block:

- Advisor block (this means you need to speak with your advisor before registering)
- Academic blocks (contact the GTU Registrar)
- Business office blocks (contact the GTU Business Office – typically money in arrears)
- Library blocks (contact the GTU Library – typically money in arrears)
REGISTRATION INSTRUCTIONS

The following instructions apply for all semesters and for all registration periods (early, general, and late) using SONIS

SONIS is available only during the dates listed for each term.
(Dates are listed in the semester sections, beginning with Summer)

ELIGIBILITY

- 1000-4000 level courses are generally available to all students -- Check course descriptions for registration restrictions and reference Key to Course Levels on page 8 for difficulty guidelines.
- 5000 level courses require the permission of the instructor, if you are not a PhD student.
- 6000 level courses are open only to PhD students.
- If you wish to register for more or less than a full-time load, contact the Dean of Students (if you are a PhD student) or the MA Program Coordinator (if you are a Common MA student).

NOTE: Audited courses do not count toward the credits needed to maintain full-time status. Some courses may not be audited.

TO REGISTER, YOU WILL NEED:

- Your list of desired courses
  - The Course Schedule can be found online at https://www.gtusonis.net/GENSRsC.cfm
  - Note: A PDF version of the schedule may be available on the GTU website, but course additions, changes, and cancellations will only be reflected in the online Courses By Semester (verify course selections there before registering if using the PDF).
- Faculty Consent for any restricted courses
  - Send instructors your request to take their Faculty Consent Required’ course (see “Registration for Restricted Courses” in the Registration Information section).
  - REMEMBER: During Early Registration, permission must be requested during the first week of the registration period
- Your User Name/ID and Password in order to access SONIS (available from the GTU Registrar).
  - Returning students who have forgotten their passwords, see FAQ.

NOTE: The web-based registration process goes more smoothly if you prepare a list of the courses which you wish to take before logging in to SONIS. Include:

- course numbers
- section numbers
- number of units you choose for SRCs and variable unit courses
- grading option choice for each course

TO REGISTER:
REGISTRATION INSTRUCTIONS

** Registration for a term may be done in more than one session during the available dates. **

- **STEP 1:** Login to your SONIS account
  - Navigate to [https://www.gtusonis.net/studsect.cfm](https://www.gtusonis.net/studsect.cfm)
  - Enter the Username and PIN (password) you received from the GTU Registrar during the orientation period – they are the same for successive semesters/years).
  - Click on “Academics” on the left hand side of the page
  - Click on “Registration” on the left hand side of the page

- **STEP 2A:** Register for Fixed Credit Courses
  - View available courses by a) clicking on the first letter of the course number (e.g., click on ‘D’ for ‘DR 6001’), b) viewing all, or c) entering search parameters in the box ‘Search Course Listings’. This is a very powerful tool that will help you find specific keywords within course titles or descriptions.
  - Click the hyperlinked course number for the course/s you wish to register for. Note that course numbers followed by the letter ‘A’ require Faculty Consent. You will be able to register for such courses but if you do not receive consent your registration will be reversed and your name removed from the course roster.
  - If your choice is correct, click ‘Continue Registration Process’ on the next page. If you’ve made a mistake or have changed your mind, click ‘Clear Pending and Restart Registration’.
  - The summary page will show the course/s you registered for and will display a tuition total. Click ‘Return’.
  - You will now see your course/s displayed at the top of the screen. You can remove them from this page by clicking on them and then clicking ‘Confirm Removal’.

- **STEP 2B:** Register for Variable Credit Courses
  - Follow the instructions described in STEP 2A above, except:
    - For VARIABLE CREDIT COURSES ONLY (most typically DR 6001, DR 6002, MA 5000, SRC 8888, SRC 9999, or UCB 9000), you may adjust the number of units in this field. The number you enter must be within the range specified within the course description.

- **STEP 3:** Verify Enrolled Courses
  - As you register for courses, they will appear at the top of the page under ‘Pending Registration’. Note that the letter ‘u’ following the course number signifies that the course has not yet been billed by the Business Office.
  - If the Registration Results screen does not reflect the courses for which you want to register, or the correct number of units for a course, remove the course by clicking on the course number and then clicking ‘Confirm Removal’.

- **STEP 4:** Log out.
  - Click “Logout” from the pulldown menu on the top right hand corner of your screen. If you don’t sign out, your SONIS account remains open for a substantial amount of time and anyone at your computer can make changes to your registration or view your academic, business and financial aid records.

- **STEP 8:** Submit any SRC/Cross Registration paperwork to the GTU Registrar to complete registration for these courses.
REGISTRATION INSTRUCTIONS

Please note: if you have registration blocks on your account, you will be prevented from registering. If you are alerted to a registration block, contact the registrar for additional information.
UCB CROSS REGISTRATION PROCEDURES

The Friday of the first week of the semester at noon is the deadline for filing the Cross Registration form in the GTU Registrar’s Office. There will be NO EXCEPTIONS to this deadline.

CROSS REGISTRATION FORMS DUE:

Fall: September 6, 2019
Spring: February 7, 2020

Students must be in a DEGREE program to cross-register for a UCB course. There is a non-negotiable limit of one UCB class per term, except for PhD students. The UCB course schedule is available at http://classes.berkeley.edu/search/class.

1) During Early or General Registration, enter the UCB course units for the course “UCB 9000” (Also use this course number if you cross-register at DUC, HNU or MC)

2) Obtain the Application and Certification for Cross Registration form from the Registrar prior to the first day of the UCB class. Read the form “Procedures” carefully. The form must be filled in completely. No form will be accepted without the signatures of the Dean of your school and the UCB Instructor actually teaching the course. E-mail approval is NOT acceptable at UCB; you must have an actual signature from the instructor on the form.

3) Your Schedule will show the course “UCB 9000 - Taking UCB course/s” until after you submit the Application for Cross-Registration form.

NOTE:
It will be at least five weeks before your name appears on the class roster received by the UCB instructor. Please check with the Registrar if you have any questions about cross registration.

The Registrar’s Office will replace “UCB 9000” with the actual course number which will then appear on your SONIS schedule.

If you decide not to take the UCB course which you included in your schedule you must drop “UCB 9000” in SONIS before the end of Late Registration.

If you change or drop a UCB class, you must complete the proper UCB form (obtained from the UCB Registrar) and submit it at UCB, as well as completing the GTU drop procedures. Failure to do so may result in an “F” for the class on your transcript.

INSTRUCTION BEGINS AT UCB:
