Licensing and Media Release Agreement

This Licensing and Media Release Agreement ("Agreement"), is made by and between ____________________ and Graduate Theological Union ("GTU"), effective the date signed below.

Use Rights

I grant GTU a nonexclusive, royalty-free, irrevocable, worldwide license to reproduce and to distribute to others, with or without charge, copies of the materials (whether in written, video or any other form of media), or portions thereof, that I prepare or submit for use as part of the GTUx video lecture series and/or for purposes of GTU’s on-demand educational programming platform.

I further understand and agree that GTU may use its discretion to edit or modify these materials to be consistent with its standard templates and/or to fit the programming needs or structure of GTUx or other aspects of GTU’s on-demand educational programming. I also waive any right to inspect or approve any such changes or the finished product.

Other than as stated in this Agreement, I retain all other rights in and to the ideas and content of the lecture materials I submit to GTU (to be included in a GTUx lecture series and/or on-demand educational programming) and therefore may use such ideas and content as I choose. However, I acknowledge and agree that, any video, material, compilation or products created by GTU using content that I contributed, will be solely owned by GTU, and GTU will have the exclusive license to use, sell, and distribute the same.

Representations

I hereby represent and warrant that I am the exclusive holder of these rights and have the exclusive authority to grant license and rights to them as stated above. I further represent that no other individual or entity may claim any rights, title and/or interest in and to said materials.

Consideration

I understand that as consideration for granting permission for such use of my materials as described in this Agreement, I benefit from GTU producing and creating videos or products and/or promoting and circulating the GTU materials containing my ideas. GTU may, in its discretion, provide some contributors with one-time honorariums for their participation in GTUx or other GTU on-demand educational programming. I understand and agree that such honorariums are in GTU’s discretion and I am not entering into this Agreement to receive such an honorarium, but for the opportunity to have GTU produce and/or distribute my scholarship through its online platforms.
I acknowledge that I will not receive any other compensation from GTU related to the use of my materials or be entitled to any portion of proceeds received by GTU in connection with the production or distribution of these materials as part of the GTUx Originals series, another GTUx project, or any GTU on-demand educational programming.

**Media Release**

I am aware that photographs or videos of me and/or content or materials that I contributed may be used by GTU in conjunction with the promotion and marketing of the GTUx Originals Series, other GTUx programming, or other GTU on-demand educational programming created by GTU.

Thus, I hereby grant GTU permission to use, for any lawful purpose, including, but not limited to, educational, promotional or marketing purposes, my image, voice or likeness in a photograph, video or any other form of digital media, as part of any and all of its print or non-print publications, including, but not limited to, GTU’s website, social media and GTUx Originals series, GTUx programming, or GTU on-demand educational programming materials.

I understand and agree that all photos/images will become the property of GTU and will not be returned.

I also hereby irrevocably authorize GTU to edit, alter, copy, exhibit, publish, or distribute these photos/images for any lawful purpose. In addition, I waive any right to inspect or approve the finished product wherein my likeness appears and understand that they may be used without my prior notice. I also waive any right to royalties or other compensation arising or related to the use of any such photos/images.

Further, I hereby hold harmless, release, and forever discharge GTU from all claims, demands, and causes of action which I, my heirs, representatives, executors, administrators, or any other persons acting on my behalf or on behalf of my estate, have or may have by reason of this authorization.

The Parties therefore agree as follows:
