CDSP, a member school of the GTU, participates in cross-registration with other GTU schools and centers. However, CDSP has its own registration system. CDSP courses are listed here: [http://cdsp.edu/register-for-courses/](http://cdsp.edu/register-for-courses/).

Cross-registration with CDSP requires registration in WebAdvisor for CDSP-9000 and completion of a separate form: [https://cdsp1-public.sharepoint.com/](https://cdsp1-public.sharepoint.com/).
